

Cosmos L7112

PRODUCT DETAILS

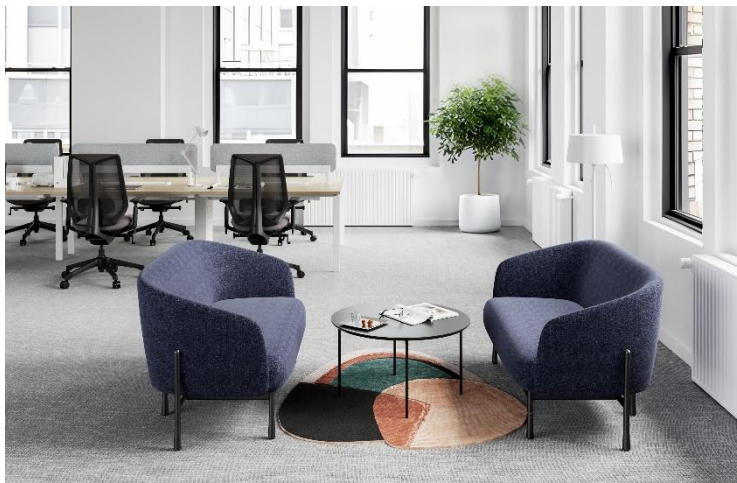

Cosmos, a series sofa with clean appearance and friendly curves, always brings you into a warm and relaxed atmosphere. Inspired by the natural forms of objects, it provides people the best comfort in social and lounge areas by its simple but strongly supportive back and seat design.

To adapt to various spatial layouts flexibly, Cosmos is available in four sizes for your option: single-seater, two-seater, three-seater, and corner sofa. Whether it's a personal lounge area or a larger social space, Cosmos can fit in perfectly.

The design is a combination of modernity and elegance. There is no complex splicing, and the smooth transition between the backrest and the armrest greatly shows its simplicity and grace.

Cosmos goes beyond just providing seating function. Through its delicate curves and smooth connections, it creates a warm and relaxing atmosphere, giving each space a unique charm.
